THE TWENTIETH FALL

Commencement Convocation 2015

WILLIAM "BILLY" J. NICKS, SR. BUILDING

SATURDAY, DECEMBER TWELFTH

To our guests

Commencement is a significant and solemn event, recognizing years of study and sacrifice. To make this ceremony more meaningful, we ask all guests and participants to avoid unnecessary conversation and movement during the exercises. We also ask that cellular phones be turned off during the ceremony.

Please withhold your applause during the presentation of degrees until each degree group is acknowledged and the candidates have returned to their seats.

Following the singing of the Alma Mater, there is a Recessional for the platform party and all degree recipients. We ask the audience to remain seated during this period.

For your assistance, an Emergency Medical Services station is available in the William "Billy" J. Nicks, Sr. Building. Please ask an usher for assistance.

GRADUATING WITH ACADEMIC HONORS[†]

Honor recognition at graduation is based on consistent high scholarship and cumulative grade point averages earned. To be eligible for graduation with honors, a student must have received no failing grades (transfer or residence) and must complete the last 60 semester hours in residence at Prairie View A&M University. A student may graduate with honors in one of the three categories:

SUMMA CUM LAUDE

Cumulative Grade Point Average of 3.90-4.0

BATES, JOHN COLIN
HARVEY, ALEXIS SHEONA
OMEZI, MARK
TAURIAC, GREGG MARTIN

PRAIRIE VIEW A&M UNIVERSITY

COMMENCEMENT PROCESSION

An appropriate costume is a necessary part of Commencement. The costume includes a cap, a gown, and a hood. Each part of the costume has special significance. The most common headpiece (or cap) for the ceremony is the black square, flat-topped, or "mortar board" type with gold or black tassel. It is called a "mortar board" because it is shaped like the board of the mason which holds mortar. Recently, we are seeing large velvet Tam-O-Shanter style of headpieces replacing the mortar board. Some of the velvet tams are brilliantly colored such as orange or bright blue.

The tassel on the doctor's cap is usually gold, and permanently fastened on the left side. The master's cap has a black tassel worn on the left. The bachelor's cap has a black tassel worn on the right prior to graduation then moved to the left during the ceremony.

The hood can be the most colorful part of the entire costume. The colors inside the hood are those of the college or university which is awarding the degree. The colors of the outside rim of the hood symbolizes one of the following departments of learning:

Agriculture.....	Maize
Architecture.....	Lavender
Arts, Letters, Humanities.....	White
Commerce, Accountancy, Business.....	Drab
Dentistry.....	Lilac
Economics.....	Copper
Education.....	Light Blue
Engineering.....	Orange
Fine Arts.....	Brown
Forestry.....	Russett
Geography.....	Blue and Green
Home Economics.....	Golden Yellow
Journalism.....	Crimson
Industrial Education.....	Light Blue
Law.....	Purple
Library Science.....	Lemon

Medicine.....	Green
Music.....	Pink
Nursing.....	Apricot
Oratory (Speech).....	Silver Gray
Pharmacy.....	Olive Green
Philosophy.....	Dark Blue
Physical Education.....	Sage Green
Public Administration, including	
Foreign Service.....	Peacock Blue
Public Health.....	Salmon Pink
Science.....	Golden Yellow
Social Work.....	Citron
Technology.....	Golden Yellow
Theology.....	Scarlet
Veterinary Science.....	Gray

The gown is usually black. The traditional doctor's gown has velvet panels down the front and three velvet bars on the regular sleeves. The master's gown has no velvet, but does have unusually long sleeves. The bachelor's gown is similar to the master's gown but has regular long sleeves which tend to be pointed.

Some gowns may be in the color of the department granting the degree, such as "Education Blue." Others may be "Yale Blue" or "Harvard Crimson" for the graduates of these universities. Customized stoles honor those students who have served the nation in the Armed Forces.

THE MACE

The mace is an ancient symbol of authority which is carried by the marshal ahead of the academic procession. The mace for Prairie View A&M University is four feet long and contains four bronze figures atop a Honduras mahogany base which tapers to fit into its stand(m). The four figures are symbolic of the four undergraduate academic years. Within the hollow area beneath the figures, and shared equally, is a flame which denotes knowledge and excellence. The base which serves as a grip and is carried by a faculty member, symbolizes the entire faculty; the stand which supports the mace characterizes the administration. The visual impact of the mace as a whole is "torch-like." The eight tassels represent the academic organization of the University.

THE MEDALLION

The President's Medallion, the official symbol of the Office of the President at Prairie View A&M University, was created especially to commemorate the lineage of the Presidency by the late Mr. Frank Hayden, nationally famous sculptor and Professor of Fine Arts at Southern University, Baton Rouge, Louisiana. The first medallion was presented to Dr. Percy A. Pierre, fourth president of Prairie View A&M University, on March 21, 1985.

The medallion is designed to be worn with academic regalia at all official University programs. Abstract figures, representing the academic disciplines in an attitude of celebration, encircle the outer rim. The inner circle symbolizes the pursuit of excellence throughout four years of teaching and learning. The weave of the chain is the facsimile of that used by the ancient Greeks.

A replica will be presented to each subsequent President during his inauguration. The medallion will ultimately reflect the history of the presidency, revealing names and dates of inauguration.

COMMENCEMENT ORATOR

JULIUS PARKER, JR.

Major General (Ret) Julius Parker of New Braunfels, Texas and his wife, Dorothy June Henry Parker are proud alumni of Prairie View A&M University. Upon completion of the Reserve Officers Training Corps curriculum and the educational course of study at Prairie View A&M University in 1955, he was commissioned a second lieutenant of Infantry and awarded a Bachelor of Science degree in Biology and Chemistry. General Parker also holds a Master of Science degree in Public Administration from Shippensburg State University of Pennsylvania, and is a graduate of The Harvard University Senior Executive Program.

A veteran of 33 years of military service, he commanded units at every level from Second Lieutenant through two- star General. His service included more than 25 years of professional experience in Department of Defense senior executive management positions, including: Deputy Chief of Staff Intelligence positions at the U.S. Army Forces Command - the Army's largest overseas command and within the U.S. Army Europe and Deputy Director Department of Defense Intelligence Agency in Washington D. C. He has managed organizations in the United States and abroad ranging in size from 2,000 to 35,000 soldiers.

As a Colonel in Korea in 1977, he became the first officer to command the 501st Combat Electronic Warfare Intelligence Brigade, which is a distinct honor because it was the first intelligence unit of its kind in the history of the Army to have organically assigned signal intelligence, human intelligence, and imagery intelligence units under a single command.

He culminated his military career in 1989 as the Commanding General, U.S. Army Intelligence Center and Commander of Fort Huachuca, Arizona. General designated his personal motto, "Always Out Front", which emanated from his college days at Prairie View A&M University as the MI Corps motto. Upon his retirement, General Parker was the highest ranking African American Military Intelligence Branch Officer in the history of the U.S. Army.

After leaving his military career behind, General Parker was employed for 21 years at the University of Arizona (UA), serving in the positions of Associate to the Provost; Associate Vice President for Business Affairs and; Vice President for Administrative Services. In the latter two positions General Parker was responsible for University operations in six departmental areas: Human Resources; Procurement; (a \$675,000,000.00 operation); Risk Management and Safety; Police and Security; and Record's Management. He is a two time recipient of the Arizona Governor's Award for Excellence.

General Parker has served the Tucson community as a public speaker, mentor, and member of local and state boards of directors. He is an Emeritus Director of the Arizona AAA Board of Directors; and former member of the Tucson's City Council appointed, Citizens Advisory Committee, for the revitalization of the Tucson downtown area.

Currently, General Parker serves as the President and CEO of J.P. Industries, Inc., an organization he and his wife co-founded. The company is dedicated to providing employment opportunities for people with severe disabilities. In fact, J.P. Industries, Inc. has more than 190 employees with significant disabilities who, because of J. P. Industries, Inc., have moved from the welfare rolls to the payrolls of the employed.

Since June 2013 General Parker has served as the sole proprietor, President & CEO of JADOR Enterprises Inc., in Tucson. JADOR will to become a federal contractor in the Services Disabled, Veteran Owned Small Business Program.

General Parker is married to the former Dorothy June Henry of Houston, TX, whom he met at Prairie View A&M University. They have three children, all of whom graduated from Prairie View A&M University: Julian R., is an electrical engineer with a Master's Degree in Systems Engineering from Texas Tech. Julian and his wife, Valerie, have two sons, Julian R. Jr. and Julius Rogers. Daughter, Dorvita Parker, holds an MBA from the University of Phoenix. Son, Jules G. is a Doctor of Podiatric Medicine.

STATE OF TEXAS
OFFICE OF THE GOVERNOR

A Message from the Governor:

I am pleased and honored to extend greetings to everyone attending the Prairie View A&M University 2015 Fall Commencement Convocation.

Today, as you celebrate your achievements and the honor you have earned as graduates of this fine institution, Texas celebrates with you. You have demonstrated excellence and can take great pride in your accomplishments.

The diploma you receive today is not only the goal you have worked diligently to attain, but also a symbol of the education that has prepared you for a career, a productive life and an active membership in a society that needs your talents and energy.

You are the inheritors of not only the freedom and prosperity of this great state and nation, but also the responsibilities that accompany them. I encourage you to rise to the challenge by building upon the foundation laid by the men and women who have come before you.

I am sure the milestone you celebrate today is only one of many achievements you can look forward to. I encourage you to recognize the support system that helped you reach this place — families, friends, teachers and professors — and to take the time to thank and honor them. The success you know today is the work of many, and those relationships will guide you as you continue on your way.

First Lady Cecilia Abbott joins me in sending best wishes for your continued success.

Sincerely,

Dear Prairie View A&M Graduate:

It is an honor to congratulate you on your accomplishments today. You are the essence of Panther pride and spirit.

I recognize that your achievement today is not an easy one. It requires firm commitment and numerous sacrifices. You have tackled those challenges and represented PVAMU and the entire A&M System with distinction.

Again, congratulations. The future is yours.

Sincerely,

John Sharp
Chancellor

Dear Graduates & Future Alumni:

I am honored to extend you congratulations on achieving a major milestone, graduation from Prairie View A&M University. You are now one of the many productive people produced by Prairie View and that fills us all with great panther pride.

Welcome to the alumni family! We resolve, as a family, to stay connected and support each other. We sincerely hope you will become an active and engaged member of our family association, the Prairie View A&M University National Alumni Association (NAA). We are advancing an aggressive agenda that provides programs, services & benefits to our members while forming a solid foundation of support for our beloved Prairie View A&M University. We need your ideas, input, energy and engagement to make it happen. Every great university needs the strong support of the its Alumni Association

We invite you to connect with a local NAA Alumni Chapter and the NAA. There is great strength in numbers. The load is lighter when more are doing the lifting. Please join us at our Annual Family Reunion in July 2016 and help us become a great and strong NAA that can advocate for our University and Students.

We wish you much continued success in all future endeavors

Yours in Service! With Much Panther Pride!

ALMA MATER
DEAR PRAIRIE VIEW

Dear Prairie View, our song to thee we raise,
In gratitude we sing our Hymn of praise,
For mem'ries dear, for friends and recollections,
For lessons learned while here we've lived with thee.
For these we pledge our hearts full of devotion,
To serve thee now, and through eternity.

As days go by, our hearts will not grow cold,
We'll love thy purple royal and thy gold,
We'll through our lives exemplify thy teachings,
We'll always strive a blessing to be.
Thy children we our love and pride confessing,
We'll love thee now, and through eternity.
